

our digITal world
Instructional Technology!

Showcase Logo Design Contest

Contest Rules:

- ✓ The design idea must be an **original design** created by a Hays CISD student. (Students need to adhere to copyright guidelines when creating their original artwork. No Clip Art permitted. The design must be a student original.)
- ✓ The design idea must contain the phrase **our digITal world ...Instructional Technology!** which represents the contest theme.
- ✓ The color scheme is the student's choice. Preference will be given to logos that will look good on T-shirts and posters and that have 3 or fewer colors.
- ✓ Work may be handcrafted or created using graphics programs. Examples of handcrafted art include drawing, painting, watercolor, and collage (must be 2-dimensional). Examples of programs include MS Paint, Photoshop and PowerPoint.
- ✓ All work must be submitted electronically. Artwork that is handcrafted must be scanned in with assistance from the instructional technologist.
- ✓ All design ideas will become property of the Hays CISD Technology Department.
- ✓ The design must be submitted by 4:00 PM **February 26, 2010**.
- ✓ Save the design in a previously determined storage area, such as Personal Drive [U:], Shared Drive [T:], Floppy Disk, or Flash Drive.
- ✓ Copy and paste each piece of work into the official submission form. Save the newly created document as:
