

# *our digITal world*

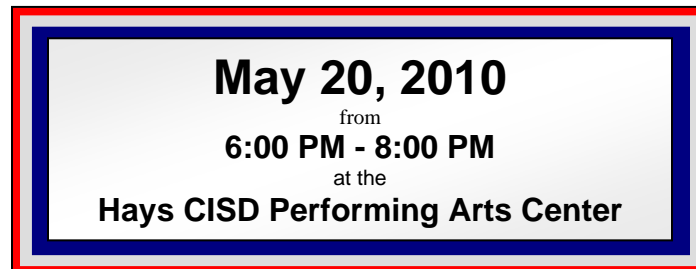

## Instructional Technology

December 7, 2009

Dear Team Hays,

We, the Hays CISD Technology Department, are proud to announce our plans for an end of the year Technology display of the **AWESOME** things that are happening in our district with the use of technology.

We know that you integrate technology into your curriculum, but we feel our community needs to see the wonderful things you are doing. The date, time, and place are set:

What we need now are your Projects to Showcase!

- Decide on a project for your class, grade level, or department to showcase.
- Complete the Application online by **February 24, 2010**.

If you have any questions concerning the “our digITal world” Showcase email us at:

[techshowcase@hayscisd.net](mailto:techshowcase@hayscisd.net)

*Don't miss your opportunity to be a part of the*

***our digITal world***

... Instructional Technology!  
Showcase

**Thank you for your Support!**
